## SUMMARY

A committed and driven Computer Science Graduate with sound understanding of Computer graphics and Web programming. utilizes sound organization and planning skills to deliver assignments within set time-frames and to a high-quality standard. Also possess a strong leadership quality, team player, excellent communication and interpersonal skills, creative and analytic thinking ability.

## EXPERIENCE

### INTERN, Costech Computers Port Harcourt

2021

At Costech, I learnt the basics of web programming, and also learnt App development using CloudApper, I completed all my tasks, assignments and projects. I also improved on my programming skills after completing my program at Costech.

### INTERN, Tee Tech Port Harcourt

2019

At Tee tech, I learnt Web development using Wordpress, I applied my design skills in tweaking my templates to look more original, I completed my projects and worked with my colleagues too on more tasking projects.

### INTERN, Costech Computers Port Harcourt

2017-2018

At this school, I taught Computer science in basic classes. I organized practical sessions, prepared lessons plans and curriculum, coordinated practical sessions, administered tests/examinations and evaluated results. I also assisted with the smooth running of the school by working with the administrative units of the school.

## EDUCATION

### Bachelor of Science Computer Science

2022

Federal University Oye-ekiti, Ekiti State, Nigeria
